

NO. G11048

GEYSER performance tights | long | women
 Black
**Colour**

Black

Description

Long tights in soft functional interlock fabric with flatlock seams. The material provides increased stretchability and excellent freedom of movement. High waist with soft elastic that ensures high levels of comfort during activity. Side leg pockets. The leg length is designed a little shorter in the front and curved towards the back to ensure increased comfort and functionality. Visible reflector on lower leg.
